Suggestion Cards

1. We discussed critique signup sheets again. We will keep them as is – there is plenty of time throughout Saturday for you to get with the judges. If you would like to meet with them again Saturday evening after you see your scoresheets feel free to do so. It is up to you to find the judge and meet with them.
2. It was brought up to have the taxidermists vote for distinguished service award – they can make suggestions to the board but the board members will decide because there are a lot of people who work behind the scenes that others do not know about.
3. We need judges for Whitetail and Fish some suggestions were: Fish – Tyler Erickson and Brett Wingfield. It was noted that Tyler is already judges other area shows so maybe what a few years for him to judge ours. Brian Epply, Owen Eldridge and Jean Smith were brought up for Whitetails. Randy Haler for Birds but we do not need a bird judge at this time.

Nick Genereux made a motion to change life-size????????? Seconded by Ashley Towne. Make sure and update the SDTA Rules and Regulations.

Kyle Schlessner made a motion to add a turkey category of its own, seconded by Shane Augeson. We will need to order BOC Ribbons for Turkey. Make sure and it to the registration forms and updates the SDTA rules and regulations under categories. The president/vice president might mention something about it in the newsletter next year too.

The board and members thanked Glenda McNutt for her 10 years of service.

Larry Wold and Jamie McNutt were winners of two door prizes donated by McKenzie and 2nd to Nature.

Meeting was adjourned.
